

Bassano del Grappa,  
September 30<sup>th</sup> 2015

Dear Sir or Madam,

We would like to submit our new heat pump "EW-HT", launched in the end of May 2015, as The Air Conditioning Product of the Year.

Please find attached:

1. The pdf of the leaflet that shows you all the range and characteristics of EW-HT
2. The short Energy Analysis about the mixed use complex in Milan, where we installed EW-HT
3. The EW-HT technical bulletin
4. A selection of images: the unit, logo and applications

Please don't hesitate to contact us for further information at chiara.bassani@climaveneta.com

Yours faithfully,

*Climaveneta Marketing Dpt*
